Subject: FW: Edits to Riverside Social Media Post

Hi Shereen,

I'm responsible for social media content next week and want to confirm if the details in this post is accurate. Will you please review and make applicable changes?

Thanks,
Donette

Twitter: Public comments are now being accepted on our proposed cleanup plan to address groundwater and sediment contamination at the Riverside #Superfund Site in Newark, New Jersey. Join us at our virtual public meeting on August 5th at 7:00pm! More info here: [link to press release]

Facebook: Public comments are being accepted on our proposed cleanup plan to address groundwater and sediment contamination at the Riverside Industrial Park #Superfund Site in Newark, New Jersey. The proposal addresses the cleanup of contaminated soil, sewer water, waste, and groundwater. We are proposing the best course of action to protect human health and the environment at the site, and want to create space for community members to ask questions or voice concerns about the proposal. A virtual public meeting on our proposed plan will happen on August 5th, 2020 at 7:00pm EST. To view the proposed plan and register for the virtual public meeting, visit the site page at www.epa.gov/superfund/riverside-industrial
